

The Legacy Begins

With these important words from Our Obligation, Nischa Chuppecat Lodge has set forth to preserve our lodge traditions and history by starting on this Legacy Campaign.

It is our goal to transform the OA Circle and the OA Basement with history and new life. To show where we have come from and where the new century in the OA will take us.

- ▶ Construct permanent seating for members and guest at the circle.
- ▶ Bring new life to the guest trail and main circle trail.
- ▶ Showcase our history of leadership and service in the OA Basement.
- ▶ Add the second part to memorial walk

These and many more items to show what Nischa Chuppecat is and offers to our youth in this Council.

The Vision to Life

With your help we can transform our OA Circle and OA Basement to sights never seen before. Seating for our guests, so they can watch as their scouts take their first steps towards the OA. The Legacy Wall in the OA Basement, depicting the history of our Lodge, the service to the 10 NOAC's we have hosted with the 11th coming in 2018, the youth leaders we have had and those we have now.

Improving the pathway to the Circle so no matter how wet or dry the ground is we can give our newest members the best ceremony possible, and some pillars to light the path to our circle that will show the two lodges that made us.
