Shooting Sports Program Area - \$75,000

This program investment will build upon the work that has been done to make our shooting sports area a first-class range experience. Facility attributes include:

- ◇ Building new ranges, or renovating ranges, in order to bring rifle/pistol ranges, archery range, and shotgun range up to today's shooting and safety standards.
- ◇ Instructional areas that enable the teaching of safety when participating in shooting sports.
- ◇ Hand-washing station that protects shooters from potential chemicals.
- ◇ Provide safe storage area that keeps equipment secure and in good condition.
- ◇ Adequate restroom facilities that enable camper comfort and privacy.

- ◇ Quality facilities that are attractive to outside of Scouting groups seeking rental programming opportunities, i.e. shooting groups, 4H, American Heritage Girls, etc.
- ◇ Scout advancements will be instructed, including: Archery, Rifle Shooting, Shotgun Shooting, BB Guns, pistol and black-powder rifle shooting.
