

HOOSIER TRAILS COUNCIL...

“Developing the leaders of tomorrow, through adventures today!”

Ecology Lodge - \$150,000

This asset will enable the proper instruction of ecology-based merit badges and feature the unique beauty of nature on Lake Tarzian. Facility attributes include:

- ◇ Camp lodge facility that will overlook a point on Lake Tarzian, providing a tranquil learning environment.
- ◇ Sliding doors will enable an open and airy space that transitions to learning decks with beautiful views across the lake and provide multiple instruction areas, so different classes can occur simultaneously.
- ◇ Facility will provide nature displays and educational material storage, which can be secured by locking the doors.
- ◇ The Ecology Lodge will be handicapped accessible and will offer restroom facilities.

- ◇ Facility will provide educational resources that will help to market camp assets to out-of-Scouting groups and can generate new revenue sources.
- ◇ Scout advancements will be instructed, including; Astronomy, Bird Study, Environmental Science, Forestry, Geology, Insect Study, Mammal Study, Nature, Plant Science, Reptile & Amphibian Study, Soil & Water Conservation, Sustainability, and Weather.
