

HOOSIER TRAILS COUNCIL

BOY SCOUTS OF AMERICA

ANNUAL UNIT ACCOUNT ACCESS AUTHORIZATION FORM

The purpose of a Unit Account is to help service units when purchases are made in the Scout Service Center. It is a holding account, whereby credits and debits are recorded when money transactions occur. Transactions may include purchases of books, badges, event registration or credit on popcorn sales, etc.

Purchases cannot be honored if the unit account has a negative balance.

A **Membership Account** can also be set up for additional registrations and Charter Renewals. The purpose of having two accounts is to make sure money is available to cover registration costs.
