

Ready Set Grow

Lion Elective

Note to Parents, Guardians, or other Caring Adult

Occasionally, the requirements ask the Cub Scout to address or present to their den. This can be facilitated by recording your Scout with the use of a smartphone, computer with a camera, or an alternative device. WHEN RECORDING, PLEASE ENSURE THAT YOUR SCOUT IS WORKING WITH AN ADULT TO VERIFY THAT WE ARE USING SAFE INTERNET PROTOCOLS AND PROPER YOUTH PROTECTION GUIDELINES.

Please send or email your videos to your local Den Leader or Cubmaster so they can record your completion on this elective.

You can complete any of the requirements, but this slideshow is designed with preselected activities that would be most suitable to complete at home.

Online Resources

[Ready, Set, Grow Workbook](#)

Ready, Set, Grow Requirements

1. Visit with an individual who can demonstrate different ways to garden (outside, greenhouse, container, etc.) and the basic skills needed to garden.
2. Learn where the food we eat comes from.
3. Plant a small container garden.
