

# Grow Something

Wolf Elective

# Note to Parents, Guardians, or other Caring Adult

Occasionally, the requirements ask the Cub Scout to address or present to their den. This can be facilitated by recording your Scout with the use of a smartphone, computer with a camera, or an alternative device. WHEN RECORDING, PLEASE ENSURE THAT YOUR SCOUT IS WORKING WITH AN ADULT TO VERIFY THAT WE ARE USING SAFE INTERNET PROTOCOLS AND PROPER YOUTH PROTECTION GUIDELINES.

Please send or email your videos to your local Den Leader or Cubmaster so they can record your completion on this elective.

You can complete any of the requirements, but this slideshow is designed with preselected activities that would be most suitable to complete at home.

# Grow Something Requirements

## Complete the following Requirements

1. Select a seed, and plant it in a small container. Care for it for 30 days. Take a picture or make a drawing of your plant once each week to share with your den or family.
2. Find out the growing zone for your area, and share the types of plants that will grow best in your zone.
3. Visit or research a botanical or community garden in your area, and learn about two of the plants that grow there. Share what you have learned with your den or family.
4. Complete one of the following:
  - a. Make a terrarium.
  - b. Using a seed tray, grow a garden inside your home. Keep a journal of its progress for 30 days. Share the results with your den or family.
  - c. Grow a sweet potato plant in water. Keep a journal of its growth for two weeks. Share the information with your den or family.
