The Order of the Arrow Quanasita Chapter is proud to be host of the Del-Mi Star Wars Webelos Encampment.

This event is planned, organized, conducted and hosted for Del-Mi Webelos Scouts by the Arrowmen of the Quanasita Chapter of the Order of the Arrow.
STAR WARS ENCAMPMENT

October 2-4, 2015
Camp Kikthawenund

PURPOSE

The purpose of this event is to provide Webelos Scouts with a Boy Scout style campout experience and for the Webelos Scouts to have FUN!

Star Wars Encampment is a weekend campout modeled after Boy Scout camporees. A Camporee is an event where troops come together and Boy Scouts spend a day going through fun activities and stations. Some activities are Scout skills, some activities are silly games or activities, and some activities are team challenges.

PAYOFF

The payoff for the Webelos Scouts who attend is to have a great weekend outdoors in the woods; to experience a Boy Scout style “camporee” event; to have the opportunity to knock off some Webelos and Arrow of Light requirements and to spend the weekend with a great group of Boy Scouts.

PROGRAM

The program for the Star Wars Webelos Encampment will include:

- The opportunity to campout on Friday and Saturday nights in patrols and packs.
- During the day on Saturday Webelos Patrols/Packs will participate in stations with hands on activities. Webelos in patrols or as a pack will visit stations in Round Robin format.
- There will be presentations to the Webelos by the Boy Scouts on the Order of the Arrow.
- There will be a campsite judging competition held Saturday afternoon. Criteria are included in this packet.
- Campfire Program Saturday night.
- Scouts’ Own (A Scout is Reverent) Sunday morning.
- Awards Presentation Sunday morning.

FEE FOR STAR WARS ENCAMPMENT

The fee for the Star Wars Webelos Encampment is $10.00 per person. This is $10.00 for Webelos Scouts, for adult pack leaders and parents and for Arrowmen staffing the event. However, because many families may be financially challenged we want all Pack leaders to know that we do not want any Webelos or parent left at home because of their personal economic situation. Contact Kevin Aldrich, Quanasita Adviser, for fees to be waived.
The following page is a one-page flyer for you to copy and pass out to your pack, Webelos leaders and parents.

STAR WARS’ STATIONS

Note that some stations require Webelos to bring materials and supplies with them to Star Wars Webelos Encampment.

Many stations are judged and timed for points. The highest scoring packs or patrols will earn special awards. Refer to the Score sheet.

For the purpose of encampment stations, Webelos Patrols/Dens/packs are Star Wars Teams!

Webelos Stations

1. **Cooking** – At this station you will make a snack. You will need to bring . . . this information will be provided to the pack leaders who register online for Star Wars Encampment.

2. **Starship to Hyperspace** – All Webelos will need to bring an empty 2-litre plastic pop bottle for this station. Webelos will build and launch their own Starship.

3. **Space First Aid** – At this station Webelos will use the first aid skills and practices from the Webelos Handbook. This will be a judged station where the Webelos will be evaluated on their first aid knowledge and how well they work as a team.

4. **The Freezing Planet of Hoth** – You’ve been shot down and crashed on the ice covered planet of Hoth. Your only chance of survival is to build a fire. At this station you and your crew will work together to build a fire. This is a timed and judged station. The faster you build your fire, the more points you will score. The more you work as a team the more points your score.

5. **Survival Knife** – Each Webelos must bring his personal folding knife and Whittling Chip to this station. As a member of the galactic empire sometimes your survival depends on your knife skills. At this station each Webelos will use his folding knife to carve an item out of soap that is so well done his captors will spare his life. NOTE: Each Webelos must show his whittling chip to participate in this station. No Exceptions.

6. **Boy Scout Campsite** – At this station Webelos, parents and pack leaders will be shown a typical campout set up by a Boy Scout troop. This is both a Webelos and adult station.

7. **Blaster Shooting** – At this station you will prove you ability to hit your target with a blaster (BB gun). This is a judged station. The top three targets from each team will be selected and their scores averaged for a prize. The top three individual shooters will also be recognized.

8. **Star Wars Neckerchiefs** – At this station each Webelos will have the opportunity to make a Star Wars themed neckerchief that may be worn with the Webelos or Cub Scout uniform.

9. **Star Wars Skits & Songs** – All skits and songs must be Star Wars themed. At this station Webelos dens/patrols/packs will try out to participate in the Star Wars Campfire Program on Saturday night. This is a judge event. Dens, patrols or packs will receive points for trying out and may also receive points for teamwork. Additionally, the groups selected to present their skit or song at the campfire will receive bonus points.
10. Pimp my Pod – Each Webelos den, patrol or pack is required to bring a box to decorate for their Pod. Recommended size is 24” x 12” x 10”. The staff will select the top 9 Pods and the Webelos will vote at Campfire on top 3. Top 3 pods receive bonus points.

11. Energy Slingshots – Just like Ezra Bridger, the orphan from Lothal, you must prove your ability to use the wrist mounted slingshot to fire energy projectiles (paintballs) at a target.

12. Markaren Wastes Carry – At this station Webelos will have to work together to carry pollution waste without spilling the waste. This is a timed and judged event. Webelos groups will earn points for completing the task as fast as possible and for working together as a team.

13. Bobbafet Bounty Hunt – This activity is a scavenger hunt for the Webelos. Information will be provided at flag on Saturday morning.

**ADULT STATIONS**

*Points earned by Adults are included in Star Wars Team and Pack competition.*

14. Star Wars Puzzle – Adults – At this station adults from your pack will work on a large Star Wars puzzle. The adults from your pack must spend a minimum of 30 minutes at this station.

15. Dutch Oven Cooking Competition – Adults from your pack may prepare their cooking entry in your campsite and bring the dish to the dining hall at 1:00 p.m. to be judged by the Encampment Staff Grubmaster and the grubmaster staff. You may prepare as many dishes as you want to enter. Entries may be entrees, desserts, side dishes or whatever you feel like preparing.

16. This Force is Strong, or maybe not! – At this station the adults from your pack will have to use the Force to perform a task without the use of their eyes. This is a scored event for both ability to complete the task and for teamwork.

17. To Be or Knot To Be – At this station adults from you pack will have to identify knots and demonstrate how to tie the knots. All knots are from the Boy Scout Handbook. This is a scored event.
STAR WARS ENCAMPMENT

What EACH Webelos should bring the following items to encampment.

- Star Wars costume
- 2-Liter Empty Soda Bottle to build a space fighter
- Food items for the cooking station. Items to be communicated by email after online registration.
- Folding pocket knife, if **the Webelos has earned his Whittlin’ Chip**
- **Whittlin’ Chip**, each Webelos carrying a folding knife must have their Whittlin’ Chip with them at Encampment to participate in the carving station. No exceptions.

What Adults should bring to the Star Wars Encampment?

- Star Wars costumes will earn extra points
- Dutch Oven for Dutch oven cooking
- Ingredients for their Dutch oven delight
- Charcoal and supplies for cooking their Dutch oven delight
HOW DO WE REGISTER FOR ENCAMPMENT
You will register on line by going to: http://tinyurl.com/starwarsencampment

HOW DO WE PAY FOR ENCAMPMENT
You pay by cash or check when you sign in to Encampment on Friday night, October 2. We are unable to accept payment by debit or charge cards. The fee is $10.00 per person.

BSA ANNUAL HEALTH AND MEDICAL RECORD
Each Pack is required to have a BSA Annual Health Form on hand, in camp, for each Webelos, parent and registered leader. Only Parts A & B are required. Each Webelos Scout must have his health form signed by a parent. A BSA Annual Health and Medical Record is included in this packet. Packs are responsible to have health forms and will be required to show health forms to the Encampment Office during check-in.

CAMPsites

THERE IS NO EARLY CAMPSITE SETUP. CAMPSITE ASSIGNMENTS WILL BE MADE BEGINNING AT 6:30 P.M. ON FRIDAY NIGHT.

Campsites are assigned with unit size and special needs considered. Smaller Packs will share campsites with 2 or more Packs. Specific campsite requests are not honored. No adults or Webelos will be allowed in campsite until the Pack Encampment Leader has completed check-in with the Encampment office. Information on Special Needs for a Pack should be in the online registration. No pack will be allowed to select or set up their campsite before the Encampment Office opens and assigns campsite to pack. Campfires are only allowed in the fire ring and packs may be sharing the fire ring with 2 or 3 other packs.

YOUTH PROTECTION
BSA Youth protection rules are in effect for Encampment. Refer to the Guide to Safe Scouting.
— Two-Deep leadership is required in campsite anytime there are youth in the campsite
— One adult leader must be a BSA registered volunteer
— An adult may only tent with his/her own son.
— Two same sex adults may tent together

VEHICLES
NO VEHICLES WILL BE PERMITTED IN THE CAMPSITES OVERNIGHT OR DURING ENCAMPMENT. One vehicle per pack will be allowed to transport Pack gear to campsite Friday night. Vehicle must be returned to parking lot immediately after being unloaded. One vehicle per pack will be allowed to transport Pack gear to parking lot on Sunday morning. Parking will be in the camp parking lot. If your Pack has any special needs, include that information in your online registration and make sure to discuss this during check-in at the Encampment Office.

RICKSHAWS
Rickshaws may be used to transport gear from parking lot to campsite. Under no circumstances are Rickshaws to be kept in the campsites. Rickshaws are to be returned immediately after gear is unloaded in the campsite.
STAR WARS’ COSTUMES
Webelos Scouts are expected to dress up or costume as their favorite Star Wars hero, villain or character or to create their own Star Wars character costume appropriately. Parents and Pack Leaders are strongly encouraged to set the example and also costume. We strongly encourage you to get some parents in your pack or den to volunteer to help the Webelos Scouts make costumes for the Webelos and decorations for your campsite. This would be great den or pack activities.

WILL TENTS BE PROVIDED IN CAMPSITES?
No, families and packs need to provide their own tents.

WILL LANTERNS BE PROVIDED IN CAMPSITES?
No, packs will need to provide their own lanterns.

MAY WE SET UP OUR CAMPSITE IN THE AFTERNOON BEFORE IT IS DARK?
No, you cannot set up your campsite before you check-in and register in the Encampment Office. Check-in does not start before 6:30 p.m.

WILL WE HAVE OUR OWN CAMPSITE?
Probably not, you will probably share your campsite with 1 or more other Packs. It will depend on the size of your pack.

MAY WE SELECT OUR OWN CAMPSITE?
No, campsites will be assigned based on size and special needs.

WHERE DO WE GET WATER?
Each campsite has water. This water is tested and is absolutely safe to drink. Do not send Webelos to the dining hall for water. The dining hall water is the same water, from the same well, pumped by the same pump as the water in the campsites.

ARE MEALS PROVIDED?
No, you provide and cook your own meals. Please refer to the “Grubmaster Appendix,” for ideas on simple but fun camp cooking.

WHAT ABOUT DOWN TIME?
There is no down time scheduled except a two hour lunch on Saturday and a two hour Supper on Saturday. However, there is no requirement for you and your Webelos to go to all the stations. If your Webelos need some down time, then take a break. Let them play. We have found that the busier young boys are the less they need downtime.

BUGS & INSECTS
There are going to be bugs. Aerosol cans are not allowed in Boy Scouts. Be sure to bring some non-aerosol bug spray.

WHAT GEAR DO I NEED?
Refer to the “Recommended Gear & Equipment List” Appendix.
MAY WE HAVE CAMPFIRES?
— That depends on current Fire Bans and the Camp Ranger has the final say. If we are allowed fires they should be small and MAY ONLY BE IN FIRE RINGS.
— A campfire may NEVER be left unattended. If you leave your campsite, you must put out the fire completely.
— Fires may not be left burning at night when you go to bed; they must be put out completely.
— A bucket or two of water must always be available at a campfire.
— If there is more than one pack in your campsite, then you have to share the fire ring.

MAY WE COOK ON FIRES?
— It is not recommended, campfire cooking takes a long time and the Encampment schedule will make it difficult.
— Only if you have a campsite alone and do not share the campsite or fire ring with other packs.
— However, roasting a hot dog on a stick would be fun, easy and tasty.
— If you share your campsite with another pack, then do not dominate the fire ring by cooking

Safety first! Fires must be attended or put out cold. If we find an unattended fire in your campsite, it will be extinguished by our staff.

Always remember that you are camping to have fun in the great outdoors. Please be respectful to others as well as to nature; do not leave any trash behind and try to preserve the area as much as you can. Be considerate of those who are camping around you: keep the noise down and be respectful of their space. Have a great time, and enjoy yourself at this Encampment.
Following this page are forms that you will need to complete and bring with you to the Star Wars Encampment.

- **Pack Roster** form is to be filled out and brought to the STAR WARS ENCAMPMENT by the trip leader and turned in at registration and check-in.

- **BSA Annual Health & Medical Form Parts A & B** is to be possession of the Pack Trip Leader during encampment. The trip leader must show the health forms to the encampment registration team on Friday evening.
