**Severe weather**

If the forecast calls for severe weather, please check your email and/or Facebook. If IPS cancels school or releases students early, there will be no meeting.

**Guests/parents**

Guests and parents are always welcome at our meetings and tours. However, because of security at Lilly, we need to know ahead of time who will be at the meetings. We maintain a list of students who have expressed interest in the Post, so if you have been to one of our meetings before you do not need to RSVP. If you are bringing a guest or parent for the first time, please send an email to [alms\\_david\\_c@lilly.com](mailto:alms_david_c@lilly.com) prior to the meeting.

**Questions:**

Send an email to [engineeringexplorerpost393@gmail.com](mailto:engineeringexplorerpost393@gmail.com) or [alms\\_david\\_c@lilly.com](mailto:alms_david_c@lilly.com) or contact one of the post advisors for specific questions about our Engineering Post.
