

FRIENDS OF SCOUTING CAMPAIGN

FAMILY ENROLLMENT PLANNING SHEET

Unit # _____ District: _____

Dear Scouter:

To assure the quality of Scouting in the Crossroads of America Council, a Friends of Scouting Finance Campaign is conducted annually to educate parents on Council resources, camping facilities, training programs and available activities. We will also share with parent’s information about how our Council is financed and provide parents the opportunity to provide support. This happens during the early part of the year at a unit meeting where parents are in attendance. At this time a presentation is given that covers the benefits of Scouting. The presentation usually happens at a Pack Meeting, Court of Honor, or other appropriate time. Please consider setting an early presentation date to ensure a successful campaign. Our “pacesetter” units are those that schedule their presentations in November/December to “set the pace” for our campaign.
