What: The "Governor's Luncheon for Scouting" is an opportunity to hear about the direction of Indiana from our Governor and learn about WHY Scouting matters to our communities. Each year over 2,000 business & civic leaders will attend this prestigious luncheon.

Why: To create public awareness of **all** of our programs and share the impact of Scouting's character based programs. In addition, each of our guests are asked to financially support our premier youth development movement.

How: 250 volunteer and business leaders in central Indiana will serve as Leadership Team Members and Table Hosts and invite past and prospective supporters and friends to attend this year's luncheon. The efforts of these individuals is vital to our mission of creating tomorrow's leaders and preparing our youth for whatever life may bring.
