The "Governor's Luncheon for Scouting" is an opportunity to hear about the direction of Indiana from our Governor and learn how Scouting matters to our communities. Each year over 2,000 business & civic leaders will attend this prestigious luncheon to create public awareness of all of our programs and share the impact of Scouting's character based programs.

In addition, Governor's Luncheon for Scouting is our local Boy Scouts of America Council's largest fundraiser of the year, and the largest luncheon event in the country. Each of our guests are asked to financially support our premier youth development movement. The luncheon raises more than \$1 million each year to help offset the costs of providing character development programs, camps, training and much more to over 34,000 youth and 7,500 adult volunteers in central Indiana.

The efforts of our volunteers and donors is vital to our mission of creating tomorrow's leaders and preparing our youth for whatever life may bring.

The Boy Scouts of America programs teach **Life Skills** that will empower young people in **Character and Leadership Development**, **Compassion for Others**, **Inclusiveness and Diversity**, **Healthy Living**, so they are **Prepared for Life**, in whatever challenges come their way.

Our **Career and Civic Education** parallels our Governor's goal of positively **Impacting Families** and **Strengthening Communities**.

Our **Volunteers** embrace **Learning For Life** by mentoring young people from where they are today to be the **Servant Leaders** of tomorrow. The **Friendships and Fellowship** creates not just volunteer led organization, but a Family of Scouting!

Whatever role you play and power you bring to the table...

with YOU,
