Supporting Youth

The **Canandaigua Sporting Clays Charity Shoot** brings together community and business leaders for a day of fun while raising funds for Scout shooting sports programs at summer camp.

Thanks to your participation in this event, we do not charge a fee for Scouts to participate in shooting sports programs at our camps. Your support provides ammunition, targets, guns and range improvements for our Scouts.

The Boy Scouts of America, incorporated on Feb. 8, 1910, and chartered by Congress in 1916 provides an educational program for boys and young adults to build character, to train in the responsibilities of participating citizenship, and to develop personal fitness.

\$13 per person in attendance is not deductible per the IRS.
