#### NEW DISTRICT EXECUTIVE

We are pleased to announce that **Shaun Grover** has been selected as the District Executive in the Flickertail district.

Shaun's primary responsibility will be the support of membership recruitment, new unit sales, fundraising, volunteer engagement and program support in the Flickertail District. He will also support some level of district operations on the Western areas of the Northern Sky District. Shaun will be reporting to **Kevin Mehrer** who has accepted a promotion to Senior District Director. Shaun has a Bachelor of Science in Finance from North Dakota State University, and has previous experience in sales, customer service and in operating a small business.

Join us in congratulating Shaun as he works with the Northern Sky team to grow the Scouting programs from West Fargo to Jamestown! He joined the Northern Lights Council on November 16, 2018.

#### RECHARTER PARTY

On December 13th at 7:00pm at Atonement Lutheran Church in Jamestown this year we will be hosting a recharter party! On that night you will be able to bring in your completed charters to drop off and go over any questions you may have.

### **SCOUTING FOR FOOD 2019**

March is fast approaching! Which means it s time for this year’s annual Scouting for Food Drive here in the Northern Lights Council. It is extremely exciting to have a full team of volunteers dedicated to helping us reach our 2019 goal. We will need everyone’s help if we are to reach our goal, but I am confident that we can do it!! No matter when you do your units food drive, remember to weigh all items brought in and send your results to the Council Office

### **FRIENDS OF SCOUTING**

A new year and a new campaign! In the next 3 months most Packs will have a Blue and Gold Banquet, and Troops will have a Court of Honor. During these occasions a district volunteer will offer a brief but important presentation to all parents regarding the annual Friends of Scouting finance campaign. Please plan your banquet or court early in advance so we can arrange a speaker. Also, don’t forget to plan a few minutes for the presentation in your agenda for the evening. Thanks to all the help from the speakers last year, and we would appreciate your support again this year. You are encouraged to have a parent or leader help with presentations.
