NEW DISTRICT EXECUTIVE

We are pleased to announce that **Lacy Britt** has been selected as the District Executive for the Tomahawk district.

Lacy's primary responsibility will be fulfilling the mission of Scouting through leadership and guidance of all district operations, including; volunteer engagement, membership recruitment, community and family fundraising, new unit sales, fiscal management of activity budgets and program support in the Tomahawk District.

Lacy is a veteran of the United States Air Force, with 21 years of leadership experience in nuclear maintenance. He has experience in training, scheduling, human relations, budgeting and program management. Lacy has an Associates Degree in Munition Maintenance Systems Technology, and a Bachelor of General Studies from American Military University. Lacy is an Eagle Scout from the Minot area, and has served as an Assistant Scoutmaster for a local troop.

Join us in congratulating Lacy as he works with Rob Gilkerson, and the Tomahawk District team to grow the Scouting programs across the area. Lacy joined the Northern Lights Council on November 16, 2018.

FRIENDS OF SCOUTING CAMPAIGN 2019

The Friends of Scouting Campaign is right around the corner. This is a wonderful way to invest

back into the Scouting program. There are three methods of registering for an FOS presentation. One is via online on NLC.org under Invest in Finance, filling out the Friends of Scouting sheet in your recharter packet or calling your local representative to schedule a presentation at 701-839-2260.

KEEPING NEWER FAMILIES INVOLVED IN CUB SCOUTS

Here are some key tips for keeping new families involved beyond the first couple of months:
Asking for help- Be sure to ask new parents for help. Please start off with a small ask that can lead to a major ask down the road.

Communication- Be sure to keep parents informed on upcoming events within the pack. Use different channels of communication- email, text, and Facebook.

Organization- Have a detailed calendar for the entire year, so families can plan far ahead.

THE KLONDIKE DERBY!!!!

This is a great event for all Boy Scouts in the Tomahawk district. It gives the Boy Scouts an opportunity to refine or build different skills such as starting a fire. It will be at the Big 4 Scout Camp again on February 2. You will not want to miss this opportunity.
