COVID-19

As the pandemic progresses in the U.S., our council will continue to be proactive and make decisions that will protect the communities and families we serve. As this situation continues to evolve, we will evaluate daily and share any updates as they become available on this website and through our social media channels. We need to keep our community and Scouts safe.

As of May 1st, we are still planning to hold all events at Camp Wilderness from the weekend of May 29th onward. At this time there have been no discussions on canceling of summer camp other than to say that if canceled, all funds paid would be refunded 100%. This includes non-refundable Scout and campsite deposits.

Because the evolving situation could cause a change in our schedule, we must delay Merit Badge sign up until Saturday, June 6th. Delaying signup will give us more accurate information and hopefully reduce the need for multiple confusing revisions.

On May 11th we will evaluate any new information from the authorities to determine if we can open in June as planned. If we can’t open in June, our contingency plan is to open camp on July 5th. All June Troops would be encouraged to switch to either one of our July camp sessions or a new August session. We have sites available the following weeks: July 5, July 19, July 26, and August 3 (a potential new session)

If you have any questions please contact Tom Barry tom.barry@scouting.org or Emilie Frenzel emilie.frenzel@scouting.org
