

BOY SCOUTS OF AMERICA®

GLACIER'S EDGE COUNCIL

Camp Card Unit Incentive Program

The Glacier's Edge Council Camp Card initiative is designed to support your unit's year-long program and help all your Scouts earn their way to Day Camp, Sleep-over Camp, Summer Camp and NYLT.

Each camp card sells for \$5.00 and will have multiple food, service, and entertainment discounts for the customer to use through the year. For your reference, here is a copy of our 2018 card.

To improve the value of our Council Camp Card for the 2019 sale, we are inviting our Units to help us in securing discounts for the card. The more discounts we can secure, the higher the value of the card and the easier it will be for Scouts to sell. Based on how many discounts we receive we may do specialized cards for specific regions or Districts.

Unit Merchant Discount Incentive Program:

We are offering the following incentive for units who help us find and secure Merchant discounts for the card.

- Secure a merchant discount used Council wide, and the Unit will earn a **\$150**.
- Secure a merchant discount used only for a region or District, and the Unit will earn a **\$50**.

All submissions must be received via the Merchant Agreement form to Nathan.Dutson@scouting.org by **December 7th, 2018**. On December 14th the vendors will be selected for the card. Not all submissions will be selected. Both the Unit and the Merchant will be informed if their discount was or was not selected for the card. Unit Incentives are only awarded to Units whose merchant discount is selected for the 2019 card. Secure a better discount to improve your chances.

For questions, please reach out to Nathan.dutson@scouting.org or contact your District Executive.
