

CAMP ALPINE STAFF OPPORTUNITIES

Being a part of the team that makes camp possible is an immeasurably important part of camp. As a Camp Alpine Staff member you will help inspire, teach and guide a whole next generation of scouts. Camp Staff is not an easy job, it requires determination, a good work ethic, flexibility and an enjoyment for scouting.

We look for those who are a credit to scouting and their communities, live by the Scout Oath and Law, fully embrace servant leadership and help others. We have a lot of different opportunities for Scouts and scouters who are interested in the experience of camp staff. Staff are broken down into 2 sections:

Program: These staff members help teach the programs of Base Camp, Ascent and Summit, as well as additional programs, OA, Campfires, and a bunch more fun

Operations: These staff help support the program staff during the day and the other jobs around camp such as medics, commissary, and in the office.

The Commitment

Working on camp staff requires more commitment than just turning up. We have a training week before the campers arrive. In this staff week you'll help setup, prepare your lessons, get to know each other and have fun. We also run a couple online sessions to get some of the basics out of the way before you come to camp.

The Perks

Camp Staff get quite a few perks for working at Camp. You get 3 weeks in the Swiss Alps covered, as well as staff goodies such as patches and uniforms. We make sure that you have a day off on the weekends, and a night off during the week. We often organise staff events or trips. Last year some staff went to Europa Park, others went hiking with a trip on the Rodelbahn (Alpine rollercoaster). But more importantly, the biggest perk is the joy you'll see from the scouts who have fun and interact with you.

The Challenge

Camp Staff is a challenge with long days and lots of work, but it's rewarding so if you feel you're ready for the challenge, just grab an application from the Alpine [webpage](#).

If you have questions about staffing, please don't hesitate to contact us on our [facebook page](#) or at campalpine.tac@gmail.com.
